Contract

Circle Studios is looking for therapists + art therapists who want to run group art programs in our Creative Art Studio, which seats 12 max. Could be focused on children, adults, women, men, teens or families. Encouraging individual creative expression on types of programs to run. Must be an entrepreneurial willing to actively invest in growing programs. All therapists to have their own insurance and proof of education.

Circle Studios is a Wellness Center centrally located in downtown Hamilton that supports the holistic health of their clients. There are 5 studios in one location: hot yoga studio, non-heated yoga studio, therapeutic counselling office, group creative workshop studio, and massage room. Both the therapeutic office and the group space are equipped with basic art supplies, for therapists who are trained in creative modalities.

Visit our website at www.circlestudios.ca to learn more about us! Send us your resume if you are interested. Please include details on what programs you would like to run, with as many details as possible to start the conversation.
