

ONTARIO ART THERAPY ASSOCIATION

**Peer Art Therapy Supervision Policy**

Peer Art Therapy Supervision requires that:

- Supervisors engage in peer supervision a minimum of four hours per year and two times per year with at least one other art therapy supervisor.
- One of these supervisors have a minimum of ten years experience as an Art Therapist.
- Supervision hours take place face to face, online or by telephone.
- Each participant provide an up-date on his/her caseload (sharing difficulties and successes).
- Each participant have an opportunity to discuss any personal issues that may have come up.
- Each participant share professional literature, articles of interest, global information, etc.
- Supervisors complete annually the OATA Approved Supervisor Application Form when they renew their OATA membership.

In addition:

- The OATA will organize a general peer supervision session at every Annual General Meeting.
